

NeighborNet

Neighborhood Watch Mobile Patrol

At your request to help supplement Neighborhood Watch Mobile Patrol trainings taking place in the neighborhoods, there are 2 trainings scheduled at City Hall. These are not meant to replace your larger training meetings and attendees should be limited to those who are new or were not able to attend your neighborhood trainings. For larger groups, a meeting should still be scheduled close to or inside your neighborhood. Space is limited.

Mobile Patrol participants MUST attend a training once every two years.
